

# **Lexikon základních pojmů sportovního tréninku – elektronická verze**

*PhDr. Jiří Suchý, Ph.D.; Doc. PhDr. Josef Dovalil, CSc.*

UK FTVS Praha (Katedra pedagogiky, psychologie a didaktiky sportu)

## **Summary**

This paper concerns description of creating digital version of publication Lexikon základních pojmů (Dovalil a kol., 1991) and its supposed benefit for education process. The lexikon contains approximately 200 items in alphabetical order providing the main information about basis of sport training, its theory and practices.

**Keywords:** sport training, encyclopedia, education
